RE: License Program

Dear Mr. Gierut:

This office writes to inform you that members of ATU Local 241 contractual rights are being violated.

As you are aware, contractually, the Chicago Transit Authority and Amalgamated Transit Union, Local 241 have agreed that any employee who does not have a valid drivers license due to suspension, revocation, or disqualification shall be given up to 180 consecutive calendar days from the effective date of said action to obtain full reinstatement. Denying our members of this provision is unfair, unacceptable, and goes against our said contractual language. Local 241 objects to this action, therefore, this office asks that CTA cease and desist this practice.

Sincerely,

Darryle West
1st Vice President
